2. General Prohibitions.

* 2.1. You may not use this site or WWWeb.com.au's Services for any purpose that is unlawful or in any manner that could damage, disable, overburden or impair the operation of this site, the WWWeb.com.au Network, or WWWeb.com.au's Services, or any other party's use or enjoyment of this site, the WWWeb.com.au Network, or WWWeb.com.au's Services.

* 2.2. Adult Content Prohibited.

o 2.2.1. Adult-oriented sites demand special system, network, and bandwidth requirements. WWWeb.com.au does not accommodate those extraordinarily large requirements in its reseller hosting plans. Therefore you may not use WWWeb.com.au's services for adult-oriented and pornography sites. This includes sites that may include sexual content, or links to adult content elsewhere.

o 2.2.2. Where allowed by applicable law, WWWeb.com.au does not prohibit you from posting a static Web page that meets all of the following criteria:

+ the page does not display any sexually explicit content and does not link to any Web page or site displaying any sexually explicit content; and

+ the page does not require a user to log in with a username or password to access any of the Web site's content.

o 2.2.3. In some jurisdictions, even the notice and advertisement of adult-oriented services may be illegal. It is your sole responsibility to learn the laws that govern what you are and are not allowed to post on your Web site. As part of your agreement with WWWeb.com.au, you must comply with all such applicable laws.

However, WWWeb.com.au cannot and does not advise you or make any recommendations to you about the existence of any such laws in a particular jurisdiction. Nor does WWWeb.com.au advise you about how to comply with any such laws. Furthermore, laws vary throughout the United States of America and all over the world, so you should contact your

legal advisor for more information and specific recommendations concerning the kinds of online materials that are legal in your region.

o 2.2.4. If you use WWWeb.com.au's service to publish any content that any applicable law deems "harmful," "inappropriate," or "unsuitable" for minors (persons under 18 years of age), then you must provide appropriate protection to prevent minors from accessing that content. Such protection is your sole responsibility because WWWeb.com.au does not censor the content of your Web sites and pages.

o 2.2.5. You may not use WWWeb.com.au's services to sell or solicit sales for any of the following items, products or services because they are or may be illegal in one or more jurisdictions where WWWeb.com.au's services are offered, or where they can be viewed through WWWeb.com.au's services:
